December 6, 2017

Dear Parents/Guardians,

On Wednesday morning, December 06, 2017, before students arrived, a staff member found an antique bullet shell casing on floor of the boys' locker room at Rosa International Middle School. Staff reported the finding to the Cherry Hill Police and District Director of Security Anthony Saporito. The police and Mr. Saporito conducted an inspection of the building and found no other antique bullet shell casings or related items in the school.

I would like to thank the staff member who came forward upon discovering the bullet shell, and the Cherry Hill Police for their timely response to this matter. Please feel free to contact me if you have any questions.

Sincerely,

George Guy
Principal, Rosa International Middle School
