Dear Parents/Guardians;

It will be our pleasure to evaluate your child for the Rosa Baseball team. All interested student/athletes are encouraged to tryout. Our team will consist of (15) roster spots and though it may be difficult to make the team, we believe it is always in a child’s best interest to experience a tryout. We also believe a child should give their best effort while trying to attain their goal of making a middle school athletic team. The coaches respect and appreciate all players who try out for our team. The team will represent Rosa IB MS in the South Jersey Middle School Baseball League. In our first year of coaching we were the 2010 League Champions and have consistently made the playoffs. Five of the past seven league champions have come out of our league division. We are in the most competitive division.

The League website is: <http://rdalessandro.cherryhill.site.eboard.com/> . On the website you will find information regarding schedules, league regulations, directions to games, scores and standings. You can also seek this information on the Rosa LC4 E-Board .

At the Middle School level, we play on a regulation Major League Baseball diamond. The same as the high school and college baseball teams.

To tryout for the teams, your child must be in 7th or 8th grade or turn 13 years old by April 30th if in 6th grade. All student athletes will be given equal opportunities to demonstrate their abilities during tryouts. They will be evaluated on academic progress, **coach ability** (*Someone who is committed to their own development, who is hungry for feedback from others and open to anything that may improve them.*), speed, hitting, running, catching, along with knowledge of the game. Coaching ability is one of the strongest attributes a player may have. We are looking for **student** athletes with a team attitude, respect for coaches, teammates and equipment along with above average baseball skills. **Players should remember that they are STUDENTS first and that all student related homework, grades and school/bus conduct will affect their placement on the team before and during the baseball season.**

****All students must have submitted a permission form and physical to participate in tryouts. No one is allowed to tryout without these forms. ****

Players must wear LONG SLEEVE, sweats or baseball pants, cleats, **protective cup** and a baseball cap to tryouts **and practices**. You should also bring your own glove. If you bring your own bat, no bat with more than a (-5) differential to bat length will be permitted. No -5 composite barrel bats are permitted.

Bat Regulation for our league:

Bat regulations continue to evolve and are intended to keep our game safe. We attempt to adhere to the national high school rules where appropriate and have adjusted for the middle school athletes.

The 2017 South Jersey Middle School League bat regulations are as follows:

1. Any BBCOR(-3) or BESR certified bat is approved: composite barrel, alloy barrel or combination of composite handle/alloy barrel bat.
2. Players are also permitted up to a -5 differential with the following condition: No composite barrel. A (-5) bat with a composite handle and alloy barrel is permitted.
3. **If you have any bat questions, please ask before purchasing.**

Tryouts will be held at the Rosa baseball field. In the event of inclement weather, the tryouts will move indoors. Please pack a pair of sneakers just in case tryouts are indoors. Dates and times may change.
