November 29, 2016

Dear Parents/Guardians of 7th Grade Students:

I am very pleased to inform you that the Rosa faculty and administration have planned an **overnight trip to The Liberty Science Center** for all of our **7th grade students**. The trip will take place on **March 2, 2017** and will be a wonderful Science learning experience for our students.

The Liberty Science Center is located in Jersey City, New Jersey and has been recently renovated to provide a unique learning experience for our students. This "Camp-In" experience will be exclusively a Rosa Middle School event and no other students or groups will be "camping" overnight on March 2, 2017. We will have the entire place to ourselves!

Our students will actually "camp" inside one of the 8 exhibition halls. Our students will have access to hundreds of exhibits including a fossil-studded rock wall, a digital spray-paint wall, and a mini-zoo – complete with geckos, snapping turtles and other exotic predators. Also included in this experience will be an evening movie in the nation's largest IMAX Dome Theater, Live Science Demonstrations and a 3-D High-Definition Movie.

The following is some pertinent information regarding this trip:

- **The total cost of the trip will be \$120.00** (please make checks payable to Rosa Middle School). This includes travel, admission to the Liberty Science Center, a pizza dinner, an evening snack and a light breakfast.
- Please return the payment and the permission form by Monday, January 9, 2017 to your child's Advisor.
- Students will attend school on Thursday, March 2, 2017. We will leave for LSC at 5:00pm.
- We are planning to return to Rosa by 11:00am on Friday, March 3, 2017. Arrangements should be made to have your child picked up to go home at that time.
- Parents are welcomed (and encouraged) to join us. The cost for parents is also \$120.00 each.
- If you experience financial concerns regarding the cost of this trip, please contact Mrs. Natalie Alonso, your child's guidance counselor.
- Students may be excluded from this trip due to behavioral issues in school.

Sincerely,

George Guy
Principal
