Dear Parents and Guardians,

Last Friday our track and field competition versus Moorestown was canceled due to poor weather. It has been rescheduled for this Friday, May 12<sup>th</sup>. Because this is a make-up, on short notice we are not able to obtain bus transportation. However, we do intend to compete. Any athlete, of any grade level, who is able to get a ride to Moorestown High School this Friday is welcome to join the team. This will be the final regular season event. Consequently, for most of our team, it will be the final opportunity to compete this season. At dismissal the coaching staff will depart Rosa so if you are planning to drive you can wait until the completion of the school day to leave. We will tell the athletes where we intend to meet them at the track and field complex at Moorestown. We hope that this is ample notice to make arrangements.

On Monday morning the coaches will post a list of those athletes who are expected to continue to practice for what we refer to as our "championship" season. This is comprised of 2 competitions, the Moorestown Relays on May 19<sup>th</sup> and our League Championships on May 24<sup>th</sup>. Both competitions begin at 1 PM and both events limit how many athletes we are able to enter in each event. We will supply additional information as the dates approach.

Thanks for all of your support and we look forward to seeing you at our competitions.

Sincerely,

  
George Guy

Sincerely,

  
Matt Cieslik
