Dear Parent/Guardian,

The dance committee is in the process of planning for the upcoming 8th grade dance! At this time, we are working on finalizing the food items that will be served. We want every child to have a memorable experience. We will be posting a list of food items that will be served at the dance along with the vendor information on the Rosa Website <https://rosa.chclc.org/> by **Friday, June 8, 2018**.

Please contact the committee if your child has any dietary restrictions as we would like to make an effort to have food available for all of our children. If your child has food allergies, please provide a safe snack. Make sure that the food items are in a container with your child's name. Have your child bring the food item to an adult in the cafeteria.

Please contact members of the dance committee with any questions or concerns **no later than Thursday, May 31, 2018**.
