Dear LC 1& LC 2 Parents/Guardians:

I have had a chance to speak with parent/guardians, faculty and students about snack. As you may know Rosa is a "no food" school because of the amount of children/adults who have contact/airborne food allergies and because we have carpet throughout our school which makes it very difficult to remove food from our classrooms.

However, we have not had to schedule 6th grade LC's as the last lunch of the day before. Because of this, I will allow LC1& LC2 students a midmorning snack under these stipulations:

- **Food only; water will be permitted but no other beverage**
- **"Healthy" snack**
- **Nut free snack (if the snack is not nut free students will be asked to eat the snack in the nurse's office)**
- **LC 1 & LC 2 teachers will make all decisions regarding snack**

Snack will go into effect on 11/8/17.

We will post this information on our website and on our social media.

Please feel free to contact me with any questions or concerns.

Yours in this educational journey,

George Guy
