

18th Annual Rosa Piano Recital

Thursday, April 19, 2018

Rosa Cafeteria

7:00 p.m.

Could you please announce this to your advisory and post. Thank you.

Any Rosa student interested in participating in the Rosa Piano Recital must be sure to register online at www.rosamusicprogram.com no later than **Thursday, March 29th**. You must know the title and composer of the selection you wish to perform at the recital and include it when you sign up. This is open to any student who plays piano no matter how long you have been taking lessons, or even if you used to play and have stopped but would like to perform a song you know.

Selections should be no longer than 3 minutes in length and DO NOT have to be memorized. You must be prepared to play your selection for Mrs. Mark on Tuesday or Wednesday, April 17th or 18th, at a time that will be scheduled for you. **This is not an audition**. This will ensure that the pieces do not exceed the requested length of time and will give you an opportunity to play on the piano that will be used at the recital.

If you have any questions, please see Mrs. Mark in C-100 as soon as possible.

Come on out and show off your piano skills!
