

## Boys Soccer Guidelines

The following set of guidelines is based on the Cherry Hill Board of Education Athletic Philosophy. Emphasis is placed on building responsibility and loyalty to the school, program, team, and coaches. To be a member of the Rosa Boys Soccer Team the student/athlete must:

1. Conduct himself in a responsible manner that will bring respect for his school by demonstrating positive actions and words to opponents, officials, teammates, and coaches.
2. Show loyalty/commitment to the program by being present for practices and games.
3. Follow practice day procedures as outlined by the coach and will participate at 100% of his capacity.
4. Be able to accept the coach's decision as to playing time and position.
5. Report all injuries to the coach.
6. Wear no jewelry during practices or games.
7. Wear the issued uniform for games only. Undergarments that show beneath the uniform pants must match the color of the pants.
8. Be responsible for the care and prompt return of the issued uniform or for the prompt payment for any parts not returned.
9. Stay with the team in the designated area for pregame warm-ups and the entire game, pay attention to the game and follow game day procedures as outlined by coaches.
10. Accept the official's decision as to rule violations without comment or gesture. Only the designated captain may ask an official for rule explanation.
11. Stay until the end of the entire game.
12. Be willing to assist at home games by being a sideline ball boy and help with team equipment.
13. Conduct himself appropriately on the team bus by: being seated while the bus is in motion; keeping all parts of the body inside the bus; making no remarks or gestures to people outside the bus; keeping voice volume low; wear seatbelts.

Below is this year's proposed schedule. Any changes will be given to the team both verbally and through the Remind app. The team schedule can also be found on the Rosa web page.
