## Rosa International Middle School

### Team Guidelines for Girls Soccer 2019

The following set of guidelines is based on the Cherry Hill Board of Education Athletic Philosophy. Emphasis is placed on building responsibility and loyalty to the school, program, team, and coaches. To be a member of the Rosa Girls Soccer Team the student/athlete must:

1. Conduct herself in a responsible manner that will bring respect for her school by demonstrating positive actions and words to opponents, officials, teammates, and coaches.
2. Show loyalty to the program by being present for practices and games.
3. Follow practice day procedures as outlined by coach and be willing to participate at 100% of her capacity.
4. Be able to accept the coach's decision as to playing time and position.
5. Report all injuries to the coach.
6. Wear no jewelry during practices or games.
7. Wear the issued uniform for games only. Undergarments that show beneath the uniform pants must match the color of the pants. No full head covering may be worn.
8. Be responsible for the care and prompt return of the issued uniform or the prompt payment for any parts not returned.
9. Stay with the team in the designated area for pregame warm-ups and the entire game, pay attention to the game and follow game day procedures as outlined by coaches.
10. Accept the official's decision as to rule violations without comment or gesture. Only the designated captain may ask an official for rule explanation.
11. Stay until the end of the entire game.
12. Be willing to assist at home games by being a sideline ball girl and help with team equipment.
13. Conduct herself appropriately on the team bus by: being seated while the bus is in motion; keeping all parts of the body inside the bus; making no remarks or gestures to people outside the bus; keeping voice volume low; wear seatbelts if provided.
14. After the team has been formed sign along with her parent/guardian a statement of understanding and willingness to follow team guidelines and procedures presented in this packet. Infractions will be handled on an individual basis and disciplinary action will be determined by the coaches.

## Transportation

Although late busses are provided after practice, they are NOT provided after games. Parents may take their own child home directly from away games after the athlete has received permission and confirmation that their parent is at the game. If you plan on forming a carpool, directions for notifying the coach of this are on the contract. The athlete going directly home from away game should bring all belongings to the game as the locker room will NOT be opened until the team bus returns to Rosa.

Directions for all away games are posted on the Rosa web page under athletics.
