Place: Rosa Softball Field/Gym

The tryout dates will be listed in the locker room, cafeteria, and my room A109. If a conflict should arise during tryouts see one of the coaches immediately.

All perspective players should bring clothing for both indoor and outdoor tryouts each day. For example: Inside -- sneakers and a warm-up suit

Outside -- spikes (optional) or sneakers and
appropriate clothing for the forecasted temperature

All students trying out must have a physical submitted to the Nurse and have been cleared in order to be eligible to tryout.

No student will be allowed to tryout without a physical!

We will be looking for well rounded players who are eager to play several positions.

Good sportsmanship, effort, promptness, softball ability, “coach ability,” and school performance will be the main points of evaluation.

Thank you for your interest in Rosa Softball!
