July 11, 2018

Dear Parents/Guardians,

East Algebra teachers have been working on a summer review packet for the incoming 9th graders coming to East for the 2018-2019 school year. The review packet is not required, but highly recommended. The Algebra students will be tested on these review skills shortly after returning to school. A Google Classroom has been created for the students to access the packet, videos, and any other additional uploads that could support students as they start the school year. This is for any student entering Algebra 1 in 9th grade, not students who are taking Geometry in 9th grade.

Students can join Classroom by signing in at [classroom.google.com](https://classroom.google.com). On the homepage, click Add + **Join class**. Enter the code (18eaczq) and click **Join**.

Sincerely,

George Zografos  
Assistant Principal
