### **Track and Field Remind 101**

We use this free remind texting service to share short announcements such as changes in schedule and what time we expect to return to Rosa following competitions.

1. To receive Rosa track and field Remind app notifications open a blank text message.
2. Type in the phone number code 81010 and send the message @rosatrack
3. After you send the message @rosatrack you'll immediately receive a confirmation text message with directions of how to leave the group if you wish to do so at some point.
4. You are now included in all messages until you decide to leave the group.
5. Athletes and parents may sign up.
